

ACKNOWLEDGEMENT

I have taken efforts in this project. However, it would not have been possible without the kind support and help of many individuals.

I would like to thank my principal
Mrs. Medha Jogalekar and school for providing me with facilities required to do my project.

I am highly indebted to my Physics teacher,
Mrs. Meenakshi Dongre, for her invaluable guidance which has sustained my efforts in all the stages of this project work.

I would also like to thank my parents for their continuous support and encouragement.

My thanks and apperceptions also go to my fellow classmates and laboratory assistant in developing the project and to the people who have willingly helped me out with their abilities.
